INTRODUCTION AND COMPANY OVERVIEW

Spot Clean is a leading company providing a range of essential services tailored to the needs of individuals and businesses, with a strong focus on the quality of residential and operational environments.

The company was established on the principle of offering comprehensive solutions combining facility maintenance, professional cleaning, and integrated laundry services, in addition to supporting the local market through wholesale trade of essential materials.

Spot Clean is committed to the highest standards of quality and efficiency, relying on a commercial record covering various activities that serve its clients and provide them with the best possible experience.
